District of Great Ogeechee - 200 acres bounded on

.....

COLONIAL RECORDS OF GEORGIA, VOL. X, page 766

James Mater petitions for the renewal of a grant. A petition by James Mater "setting forth that he had ordered him 600 acres in St. Philip's Parish which had been surveyed and returned and a Fiat for the same passed by the Attorney General but the time was elapsed....."
He was granted a renewal May 1769. (Comment by GG: There is no grant listed in any of the English Crown Grants books.)

Comment by GG: I wrote the Surveyor General in regard to the above grant. Mr. Marion R. Hemperley wrote this: "I can only guess why there is no grant for James Mater. He probably did not follow through with his request for land. After a petition was received, the land was surveyed, and then if everything was all right, the grant was issued. That was the last thing and evidently he did not take out his grant for some reason. Nothing in any of our records will indicate why the tract was not granted."

Dear Mrs. Goodpasture:

Thank you for your letter concerning Matherville, Miss. It is so nice to get an answer to a query and good to know that someone else is interested and cares.

I have collected some Mather data, but do not know if any of it will help you or not. You may alread y have all of it.

Georgia Genalogy Magazine Vol. VI.

James Mather was listed as a tax defaulter in 1787 in Liberty County, Ga. This would indicate that he had moved from the county since the previous year.

In the Georgia Genealogist in the section on Queensborough there is a transcription of a letter of testimonial from passengers on the Ship Waddell which sailed for Georgia from Ireland on October 1773 and arrived in Savannah 20th February 1774. One of the signers of that letter was John Mathers. The pattern of the Breckenridge's who came to Georgia at a similar time and under similar circumstances shows that they lived in Lincoln County, Tennessee for a time and one of them served in the War of 1812 from Tennessee. They later moved to Columbus Lowndes County,Miss. and from there floated down the Tombigbee to Marengo County, Alabama. Later moving to Mississippi. Perhaps your ancestor followed the same pattern of migration.

There was a James Mather on Bayou Pierre in the Natchez Miss. District in 1792, according to "Early Inhabitants of Mississippi" by Gillis. This is the 1792 Spanish Census of the Natchez District.
In the 1816 Inhabitants of Natchez District in Wilkinson County, Miss. there is a William Mathers and in the 1816 Census of Monroe County, Miss. a Daniel Mather.

I have the will of Thomas Mather in Mobile Alabama in 1836. He was a partner inthe firm of Mather and Roberts. He mentions his wife Olivia A. Mathers, son Francis Walingham Mathers and his neice Sarah Ann Maynard. His sister Elizabeth or Betsy Mathers. Exrs. Samuel A. Roberts, Jesse Carter, and Henry Hitchcock.

In Laurens County, Ga. in 1811 one of the commissioners of the county was William H. Mathers. They were selling lots in the new town of Dublin on the Oconee at a place formerly called the sand bar. May 23, 1811.

The Joseph Mather I am looking for was at Fort Henderson, Texas in Lee C. Smith's Compan E, Bn of Ranger 17 March to 13 October 1837. He had previously served the Republic of Texas from the 12 April to 12th of July 1836. There was also an Elijah Mather 13 March to 18 June 1836 (service to the Republic)

I think that perhaps they are brothers, but have no proof.

page 2

I am inclined to believe that these men may have come from Tennessee by way of Mississippi. The men who served with Jewel and Haggards company of Rangers are reputed to have come from Warren County, Tennessee.
In Adams county, Mississippi Marriages I find a Joseph Mather and (Book 5, page 51
Elizabeth Hendry marriage on January 21, 1835 and a John Mathers married
Helen C. Hughes October 3, 1848. Book 6 Page 910.

There is much more in my Mather file from here there and everywhere and will be glad to send any or all of it if you would want it.

I would appreciate very much having the Marengo County, Ala. census reports.

Sincerely,

Star Route, Box 568
Monahans, Texas 79756

P. S. This apparently a little late for your Mathers since they were in Alabama before this but there was a James Mather in the 1830 Census of Sullivan County, Tennessee -

James Mather - Males: 1 under 5, 1(10-15), 1 (15-20), 1 (40-50)
Females: 1 (5-10), 1 (10-15), 1 (15-20), 1 (30-40)

Dear Mrs. Strickland,

My Miss. Gen. Exchange came today with your query in regard to Matherville, Miss., so I will write a note to you before my time slips by and I forget.

Matherville was named for my great-uncle, Thaddeus Leander Mathers. He was born in 1857 in Marengo Co., Ala., and died in Matherville in 1944. He went to medical school when he was ca 40 and was licensed to practice medicine.

Thaddeus Leander Mathers was the son of Ebenezer Bowers Mathers and Julia Schuyler. The father of Ebenezer Bowers Mathers was James Mathers who died in Marengo Co., Ala.

in 1840. His will is on file in Linden - the county seat. I have a copy but he did not name a son Joseph. But his son, John did have a son by that name but he was too young to have been in the Rangers in 1837.

I do have all census reports for Marengo Co., Ala., and if you want them, I'll be happy to send them.

James Mathews' wife is still unnamed. I've worked on it for years. I do have a theory. I believe that James was born in Old Queensboro Township in Georgia. In my study of that area, I have

not run across a Joseph Mathers. I'm inclined to think that James Mathers tarried for a while in Tenn. before coming into Alabama where he is on record as early as 1823.

I will be looking forward to hearing from you if you think we can help one another.

Hope you have no trouble with reading this. My typewriter is in my husband's room and he has retired for the night.

Sincerely,
Genevieve Hardpeter

Dear Jean,

I surely do appreciate the information you gave me about Clarke Co. and their quarterly. I am not sure that any of mine were ever there, but some of the family moved there very early from Marengo Co.

I joined the Central Ala. Genealogical Society at Selma.

I try to drop a note to everyone I know at this season of the year but, like you, I do not have to get a reply to be happy. I just want my...

JAMES MATHERS OF MARENGO CO., AL.

Miscellaneous Records, Book 1, pages 27-29, 7 March 1823:
An agreement was entered into by William T. Johnson and subscribers among whom was JAMES MATHERS that the said Johnson agreed to furnish medicine and doctor the families of the subscribers until the last day of October next. William T. Johnson died sometime after this Article of Agreement was made. The names of Richard and Joseph Breckenridge also appear on this list of subscribers. This is the earliest date I have found of James Mathers in Marengo Co., Ala.

Dear Mr. Hutson:

Your letter to me concerning Matherville, MS was forwarded to my new address. Thank you so much for the information. We plan, now that we live closer to drive over to Waynesboro and go out to Matherville and look around.

Welcome to Genealogy. It is a fascinating and interesting hobby. With my husband and I, it has become almost an obsession. We have yet to complete our puzzle, though. The Strickland's are hard to trace and we have looked for 20 years for his great grandparents and still have no idea of who they were. His grandfather Henry Strickland was born in Mississippi and raised by Preston & Martha Stinson in Jones and Perry Counties. His relationship to them has never been established. We always think the answer is just around the corner, though.

I do not have any information on the Hutson or Gillon names. Have seen the Hutson name numerous times, but can't recall just where now.

I heard from a lady in Petal the other day that Hattiesburg had a good Mormon genealogical library now. Hope one day to have time to make use of it.

Thanks again for the information. Good hunting.

Dear Jean,

Thank you for your most interesting letter of July 4th and for all the data you enclosed.

I believe that my Mathers were the ones that came into Georgia from Belfast, Ireland, but I do not have proof by any means. I have made a thorough study of the Old Queensborough settlement and can prove that my Breckenridges were there before removing to Lincoln Co., Tenn., and then to Marengo Co., Alabama. I have documents to prove that Mary Ann Bigham was the daughter of James Bigham of Jefferson Co., Ga. and I THINK that he is the James "Begam" who was on the Waddell that came into Savannah, 26 Feb. 1774. One John Mathers was also on this boat - as you pointed out. But some records in Jefferson Co. have been destroyed and I have had difficulty getting any co-operation from the courthouse staff.

When I read the 1830 census for Clarke Co., Alabama, I found this:
Abraham Mather: 1 m. 20/30; 1 m. 50/60 and 1 f. 50/60. I have no idea who this person is, do you?
Also in Greene Co., Ala., 1830 ....Mistake. Disregard.
In Washington Co., Ala., 1830, page 772 or 3:
John Mather, 1 m. 10/15; 1 m. 15/20; 2 m. 20/30; 1 m. 60/70;
1 f. 10/15; 1 f. 15/20; 1 f. 30/40; 1 f. 50/60.
I do not know these either.

I presume that you have read the diary that Richard Breckenridge wrote when he was trying to find a place to more to in Alabama. He was in the 1812 conflict and wnet through Alabama about 1816 soon after the Battle of Horse-shoe Bend. There is a footnote at the beginning of the diary written by Mr. Owen of the Ala. Archives but there are some errors in it. For an example, it is stated that the Gibsons and the Breckenridges came from together from abroad. Samuel Gibson owned property 12 Dec. 1769 adjacent to William Little's 300 acres on Black Jack Creek in Queensborough. James Breckenridge came from Belfast on the Brittania that landed in Savannah 18 Jan. 1772. Also James Breckenridge located in what was to become Jefferson Co., Ga. according to land grants to him and not Screven Co. as given in the footnote in the Alabama Historical Quarterly. Ofcourse it may be true that Richard Breckenridge was born in Screven Co. but his father, James, settled in Jefferson Co. area. - then Burke Co.

It has been so nice to hear from you. I wish that I knew something about the Texas Mathers you are interested in but I do not.

I will be happy to hear from you whenever you have time to write.
The other day I read the 1830 Lauderdale Co., AL. Census which I was about to tell you about. On page 197, there was Wm. P. Methers, 2 m. 20/30; 1 f. 0/5; 1 f. 20/30.

This is what I call a Higgled-Pickled letter. My 13 yr. old grandson has stood over me begging for a malted milk. Guess I'd better fix it.

11 July 1977

Sincerely,
Genevieve

Dear Jean,

Last night when I was getting the Alabama census together for you, I overlooked the 1860 and substituted the Tharin's Directory data for it. As soon as I gathered up my papers to put them back in the file I discovered the 1860 report. Here it is.

I do not have John Mathers census report. I guess I must have overlooked him. He does appear in the Tharin Directory. Mother has always told me that he and his family came to Texas. As you have already discovered, his son, Joseph came to Ellis Co., Texas. There were others from Marengo Co. who also migrated to this area of Texas - Rosses - Dilworths - Williams - Morgans - Mathers - Schylers.

Let's keep in touch!

Sincerely,

Genevieve

Dear Mrs. Strickland:

Some time ago I saw that you requested information on Matherville in Wayne Co. Ms. Your request appeared in the Ms. Genealogical Exchange.

I have been to Matherville only once. A co-worker in the Miss. Dept. of Public Welfare lived there as a child on we drove out one day when we were in Waynesboro. I cannot think of her name except that her first name was Martha & that she was a Mather before her marriage. She showed me

about 1970 or 1976 -2-

a copy of the Wayne County News, a local newspaper which had run a long article on Matherville. I imagine you could obtain a copy by writing to that newspaper in Waynesboro, Ms. a Dr. Mather (her grandfather) built an interesting old house there & his 3 wifes (I think) each built additions & it eventually become a house with seven gables & is still standing.

I hope this information will be helpful and I'm sorry I don't have more.

By the way, if you ever run across information on my family name Hutson or my wife's (Gillon) I would appreciate it! We are genealogical beginners!

Sincerely, Jewell Hutson

Dear Jean,

Many thanks for all the information you sent to me today. I have thoroughly enjoyed reading all of it. I especially was grateful for the excerpts from the Mississippi booklet and would like to get a copy of it. Do you think your friend in Mississippi might have one to sell at this late date?

Last year when I was in Washington, I had a nice conversation with Alex Mathers' daughter who is the age of our only daughter - only child - I should have said. Alex spends some of his time down at Matherville, MS. but keeps his apartment in Alexandria. His daughter will get her doctor's degree next year from Georgetown U. She has done all this even/her children are teenagers. She has four of them.

Do you have the English Crown Grants series published a few years ago by the Secretary of State in Georgia? I have them and checked for Lewis Mattier's grants. I had written for a xerox copy of one of them and the department put me one the mailing list. So I have all of this series.

From the book, ENGLISH CROWN GRANTS IN THE PARISHES ST. DAVID, ST. PATRICH, ST. THOMAS AND ST. MARY IN GEORGIA 1755-1775 there is this data:

In St. David Parish (Glynn Co. now) , 200 acres were surveyed for Lewis Mattier, 15 May 1765 (Plat Book C, p. 229) and granted to him on 3 Feb. 1767 (Grant Book F, p. 71). The land was bounded on the NE by Altamaha River and SW by James Innes.

Lewis Mattier received 100 acres in St. David. It was surveyed on 2 Dec. 1769 (Plat Book C, p. 245) and granted 6 March 1770 (Grant Book G, p. 558) bounded on NE by James Innes and said Lewis Mattier.

IN the book, ENGLISH CROWN GRANTS IN ST. ANDREW PARISH, which is now Liberty Co., Lewis Mattier was granted 250 acres. It was surveyed 1 May 1773 (Plat Book C, p. 292) and grnated 5 July 1774 (Grant Book M, p. 66) bounded by land of the said Lewis Mattier on the NW and on the NE by William Mills.

The book, ENGLISH CROWN GRNAT IN ST. PHILIP PARISH, shows Lewis Mettear receiving 200 acres in the Dist. of the Great Ogeechee. This Grant was for 200 acres and dated 6 Dec. 1757 bounded on the east by John Fenton. (Grant Book A, p. 522.)

I am so sorry to learn that John Heltzel has died. I have been in touch with Frances in the past. She advertised in the Marengo Co., Alabama, newspaper, I think??? A friend of mine in Birmingham sent her query to me and I sent her the names of about eight ancestors as well as I remember. It was fun to be able to give her so much data. In the meantime, I have had my invalid Mother with me so much of the time, I have not kept up with her. If I ever do find proof of my James Mathers' line, I will let her know. We also are descendants from James Breckenridge of Old Queensborough Township in Georgia.

The next time I go to Houston, I will read your publications, The Tree Shaker. You certainly have an interesting magazine.

Do you want copies of the material I have gathered from Old Queensborough on the Mathers? Breckenridges? I will copy it for you if you are interested. I do not see any connection between Thomas Mathers who died at Savannah and my James. Do you?

I will go to Houston Monday for surgery on my gums but was anxious to get this to you. I do appreciate the information that you sent to me and I hope that I can furnish you with something that will help you solve your problem soon.

When I return from Houston, I plan to go to the Archives. Is there anything in Austin that you would like for me to look up for you? Genealogy is my hobby and I'm always happy to search out data for others.

Sincerely,

Genevieve

Dear Genevieve:

I am sure that you must think I have forgotten about telling you I would try to get us both a copy of the book published about Wayne County, MS containing the article on Matherville. We have moved to Florida in November 1977, and I hope now we are settled.

A couple of weeks ago we went to Waynesboro and I went to the Library to see if they had a copy. They do, but it circulates and was out at the time. Today I am writing them to find out who published it and will see if we can obtain a copy. I talked to a Mrs. Hutto in Waynesboro who contributed material for it, but she didn't know where we could get a copy.

While we were there we visited the old church at Philadelphus and the one which the Strickland's gave land for on Thompson's Creek called Salem. Next time we go we are going to Matherville. The distance from Milton to Waynesboro is not far.

We also went to Grove Hill (Clarke County, AL) one week. Spent a whole week at the Courthouse in the Probate Judges Office copying old records. Found the following on the Breckenridges and thought it might be of interest to you. We have a Johnson-Stinson connection in Clarke County that we are researching.

Benjamin Borden, Jr. charges in answer that James Bell caused a servant wench of his to be dressed in Man's clothes and made entry in her name as a man and also caused another woman the wife of William McKenless as the wife of a nother settler and obtained another entry.

She leaves a large family of grown children, one of whom is W. H. Mathers of this place.

Will let you know when I find out about the book. Hope you have had lots of good ancestor hunting. Ours has been so much better since we have gotten closer to the area we are searching.

Dearest Jean,

If you are not the greatest! You have no idea how happy I was to hear from you and to get the information about the Wayne Co. book. I have just written for it and can hardly wait to see it.

You ask about my research. I have been making some progress on the Wolfe line that stems back to Orangeburg Co., S. C., where records were burned by Sherman. Brent Holcolm has been unearthing some records that he has found up in Richland that have helped. Also when I went to Columbia three years ago, I found some things that have never been published. So I'm looking for the Wolfes (I always want to say "wolves" but not to a WOLFE.) AGAIN. This has been going on for almost 25 years now.

I just got back for the Second Annual Institute on Genealogy and Family History in Houston this Thursday. We heard some of the same speakers that were there last year but some of them did not repeat themselves. We had Richard Lackey, Bill R. Linder, John I. Coddington, Robert C. Anderson, Milton Rubincam, John F. Dorman, Thornton W. Mitchell, Lauren ce K. Wells, Wilbur Helmbold, Willard Heiss, James R. Johnson, Neil D. Thompson, Robert D. Anderson and many others who are really Texas genealogists such as Mary Lewis Ulmer and Mary Smith Fay. I especially enjoyed Willard C. Heiss. I was not at all impressed with Wilbur Helmbold; in fact, I resented some of his remarks. His topis was "Church Records in the South." He gave his pitch about the ten commandments in genealogical research and mentioned only two repositories - both were Baptist.

I taught a course at the University of Houston-Victoria Center in genealogy last fall and have been ask to do it again this coming October. I enjoyed it very much and got some of my friends off to a good start, I think. I would like to know the prices of your books in case I have someone who needs Perry Co. records. You are so smart to be doing this type of work.

Again I thank you so very much for remembering me and keeping in touch. One of these days, I hope that I can meet you and Ben.

Sincerely,

Genevieve

Dear Jean,

I thank you for your letter of 11 Sept. It is so very nice to hear from you again. I am so sorry that your Mother has been ill. I hope that she will improve in health and spirit.

I do not have a copy of your lineage chart so I had no idea that you have a Hutto line. I read about a lady who will give anyone searching Geiger-Knight-Ott-Hutto from Grove Hill, Ala., data if they will just send her a SASE. She is Mrs. James B. Hearn, 2946 - 14th Ave., Columbus, GA 31904. Do you know her? I have always intended to write to her about the Otts and Knights. All of the above mentioned families are connected with the Wolfes of S. C.

So you joined the Clarke Co. Historical Society! I joined the Central Ala. Genealogical Society that meets in Selma. How many articles have the Clarke bunch published? I had folks down there too. In fact, I did research in that courthouse several years ago. I am afraid to travel alone anymore though. Is it possible to buy all the back issues of their column? What is the name of the paper, etc.?

This is not a proper letter, Jean. It is just to say "Thanks" for remembering me and my genealogical problems. I do so appreciate your checking into the Wayne Co., MS. book.

I do not believe that I have sent you one of my lineage charts, have I? I need to revise it since I can go further back on some of the lines. Someday I'll have another made.

Let's keep in touch.

Sincerely,

Genevieve

Terry Mathis

Terry Mathis, 47, of Moss Point owns Gulf Coast Rim and Upholstery on Telephone Road in Pascagoula. He has owned the business for seven years but began working there when it opened in 1980.

The business does upholstery work on cars, boats and awnings. Mathis especially enjoys working on older cars that come in. "It takes years to become a good upholsterer," Mathis said. Once a week,

Mathis goes fishing on his boat. The married father of two enjoys watching his son race cars and said he believes people should treat others the way they would want to be treated.

MATHIS

Reverend Byron E. Mathis, of Long Beach, Miss., born Dec. 9, 1926, in Beaumont, Miss., died June 18, 2004, at his home in Long Beach, Miss., overlooking the Mississippi Sound, embraced by his wife, Joyce, and son, Buddy.

Rev. Mathis was graduated from Beaumont High School, William Carey College and New Orleans Baptist Theological Seminary.

Beginning in the 1940s, Rev. Mathis served as pastor for four churches in Mississippi: Neely Baptist Church in Greene County; Prospect Baptist Church in Perry County; Seminary Baptist Church, Seminary, from 1950-1958; and Calvary Baptist Church in Pascagoula for more than 23 years, from 1958-1981.

While at Calvary, he led the church in three building programs and initiated daycare and kindergarten programs.

As a pastor, Rev. Mathis led trips to Israel, served as a Trustee of Lift Bible College in Ocean Springs, Miss., and was awarded an honorary doctorate from that institution. Behind the scenes, he quietly dedicated a major portion of his ministry to helping the poor and disenfranchised. In addition, he conducted prison ministries and privately aided many transient people along the Mississippi Gulf Coast.

In 1981, Rev. Mathis began publishing The New Testament from 26 Translations. In 1982, he founded Mathis Publishers Inc. to complete The Old Testament from 26 Translations. This work was completed in 1985, and combined with the New Testament translations, was then known as The Bible from 26 Translations.

Today, the entire work is known and distributed throughout the world as THE WORD: The Bible from 26 Translations. It combines world-class scholarship, an editorial board selected from leading seminaries and Bible institutions in the United States, Canada, Scotland and New Zealand, and headed by Dr. Curtis Vaughan with contemporary and classic Bible translations from more than 20 Bible publishers.

For the past 23 years, Rev. Mathis and his wife, Joyce, have made friends around the world, traveling approximately 30 weeks per year to countless conventions and conferences throughout the United States to introduce and distribute THE WORD.

Privately, one of Rev. Mathis biggest thrills was to have contributed thousands of Bibles and Bible study resources to every continent. Because of its great classical use of the English language and rich supplements of synonyms, THE WORD is currently being used to teach English in locations as diverse as Africa and Asia.

At the invitation of Sen. Trent Lott, Rev. Mathis and Joyce have attended Congressional Prayer Breakfasts in Washington, D.C., honoring Presidents Reagan and Bush. Rev. Mathis has also served as honorary chairman for the Mississippi Delegation of the National Republican Committees Business Advisory Council.

Although the public may remember Rev. Mathis as a pastor and publisher, his family and friends will always remember him as a peaceful, joyful, optimistic, gentle, patient, and encouraging friend who was totally committed to loving others as God had loved him. Even in death he believed, The best is yet to be.

Survivors include Joyce Moulder Mathis, wife of 57 years, celebrated June 12, 2004; his son, Byron E. (Buddy) Mathis Jr., of Long Beach, Miss.; siblings, Mary Sue (William) Powell and Glenn (Frances) Mathis of Beaumont, Miss., Billy Ray (Peggy) Mathis of New Orleans and Sarah (Charles) Barber of Moss Point, Miss.; his wife, Joyce Mathis' brothers and sisters are Ruth Boteler, Chester (Utis) Moulder Jr., and Bobbie Nell (Robert) Taylor of Hattiesburg, and Hazel (Dr. Joe) Cothen of Jackson. From the Mathis family, Rev. Mathis is survived by four nieces, four nephews and their families, for a total of 31 nieces and nephews. From the Moulder family, two nieces, four nephews and their families survive him.

Preceding him in death are his parents, the late Estes and Mary Breland Mathis; grandparents, the late Dr. and Mrs. E.J. Mathis and Mr. and Mrs. G.Y. Breland.

Visitation will be at Calvary Baptist Church in Pascagoula, Miss., from noon to 1 p.m. A Victory Service will follow, immediately, at 1 p.m.

A second Victory Service will be held at Beaumont Baptist Church in Beaumont, Miss., at
